

QUALITY POLICY

Q Pulse Consulting leverages years of experience with local and international clients in health institutions, retail, food industries and NGO's, to help institutions implement efficient and successful policies in the workplace. Q Pulse prides itself on its continuing success in shaping up the work tools and environment, creating an extensive network of satisfied clients and partners.

Our services include Standards Implementation, Process optimization and mapping, Market Expansion, Food Technology, Training, Audit and Mystery shopping.

OUR PROMISE IS ONE OF INTEGRITY, PROFESSIONALISM AND COMPETENCE

We shall adhere to client, legal and ISO 9001 requirements

We vow to operate with integrity, while maintaining high levels of proficiency

We pledge to continuously improve our services and to go the extra-mile for our clients
